ENVIRONMENTAL SUSTAINABILITY

The BOX Seat's unique geometry and compact rotation system supports reduced raw material usage. The design structure promotes deconstruction and component replaceability. All materials are recyclable promoting conservation and environmental awareness. The BOX Seat is subject to multiple International Patent & Design Registrations.

A masterful blend of superior design and beautiful craftsmanship. The excellence of The BOX Seat 990 model lies in its meticulous attention to detail and its ability to integrate with the established BOX seat rail system.

Expertly upholstered in conjunction with the craftsmen used by Aston Martin and Bentley, this padded leatherette Director's seat is specially constructed to fit the tight row depths at modern venues, yet provide the ultimate in spectator experience. Firmly in a class of its own.

THEPRODUCTPEOPLE PTY LTD © JULY 2013

Contrast Stitching detail is added on the seat and backrest.

Highly durable upholstery, in a selection of commercial grade leatherette fabrics.

The BOX Seat 990 model combines quality with performance in a fully upholstered 'tip-up' seat, finished in commercial grade leatherette fabrics.
It provides the highest level of padding and comfort in The BOX Seat range.

This VIP Director's style chair seemlessly integrates into the venue seating system by way of the same high rail setup used throughout the venue. This saves installation costs and allows for seat interchangeability or upgrade at any time.

The BOX Seat 990 model comes with:

- *Fully upholstered high backrest and seat.*
- *Exclusive maintenance-free quality upholstery.*
- *All internal components are moulded using recognised quality polymers.*
- *All materials are UV & FR rated as required.*
- *Strength and Durability tested.*
- *TBS rail available in Galvanised or Powdercoated finish.*
- *Riser mount & Tread mount options.*
- *Soft action 'tip-up' mechanism.*
- *Optional Padded Armrest & Cupholder Accessories.*
