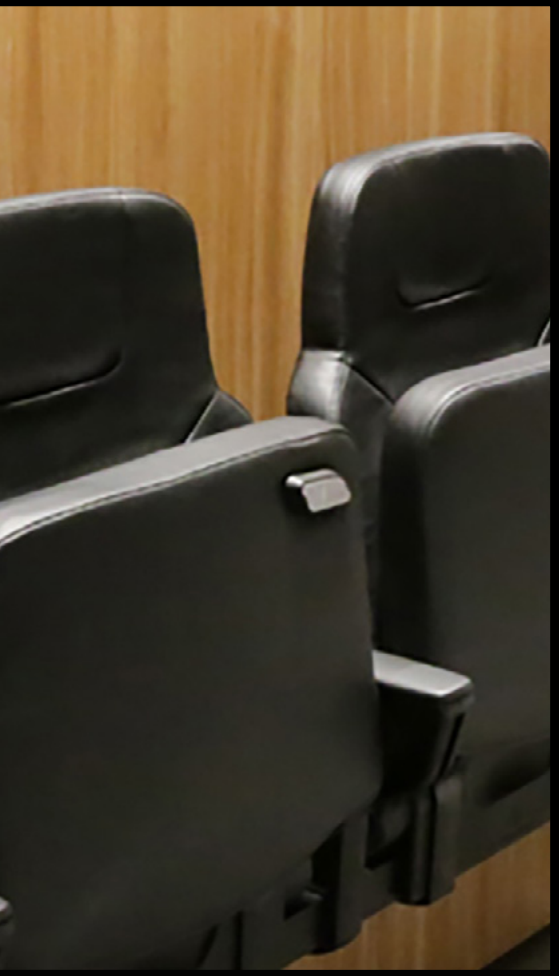
THEBOXSEAT®



VIP & Players

Welcome to the Directors Club

Furbish your VIP zones with stylish seats in premium finishes such as soft leatherette upholstery and heating options to make your exclusive visitors feel comfortable and welcome.

The best seats in the house for your membership guests.

First Class Experience

When the race comes to town The BOX Seat offers integrated VIP comfort along with the regular grand stand seating.

Create an unforgettable experience for your VIP and Hospitality guests.

Exclusive Service

Allow our skilled representatives to assist with your Hospitality seating.

We combine quality and performance to offer an elegant range of VIP venue seating.

Seats for **Hospitality**

Hospitality is where durability meets comfort.

Features such as high backrests and cushioned seats offer supportive ergonomic comport.

The BOX Seat helps solve the comfort and the economics whilst maintaining high standards complimenting the calibre of the venue.

VIP Seating

Furbushing your best sightlines with stylish seats in premium finishes such as soft leatherette upholstery and heating options to make your exclusive visitors feel comfortable and welcome.

Premium materials

Browse through our materials guides to select from a range of premium leatherettes handpicked for the venue environment.

We work with expert upholsterers that we have selected to craft our stylish VIP seat finishes.

Heated seats

Our heated seat solution is energy efficient and cost effective.

The heat pads are built into the cushion, ensuring the spectator is kept warm and comfortable.

The automatic sensor provides energy cost efficiency by switching the heat off when the seat is vacant.

Upgrade **Accessories**

The BOX Seat offers functional solutions for armrests, cup holders, and tables.

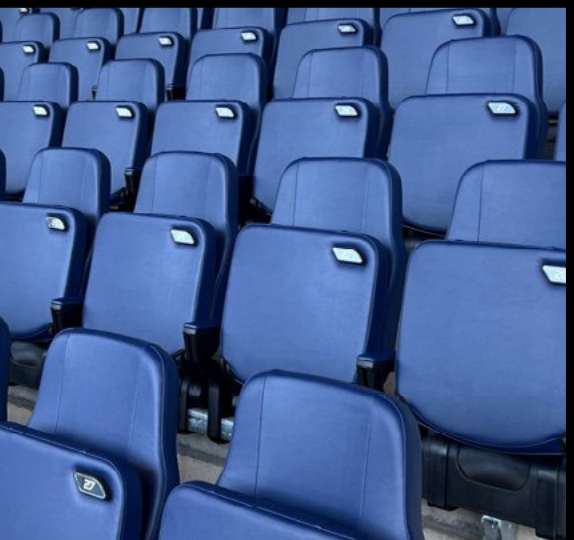
Make it **your own**

Customise your seating with embroidered logos or branded cup holders.

Player Seating

To maximize performance on the field, ensure that your players can prepare in comfort on custom player seats.

Select race-style and sport-style leatherette upholstered seats with the option for heating to keep their muscles ready for the match.



One-Stop-Shop

The BOX Seat offers a single point of seating supply, from the tough safe standing rail seats to the exclusive VIP solutions.

The BOX Seat delivers a systematic seating system to meet the marketing requirments of every venue.

The BOX Seat's are life cycle engineered, incorporating 'design for deconstruction' put in place 20 years ago under our 'environmental building block' program.

The BOX Seat aims for the ultimate Cradle-to-Grave material management, and offers a complete circular solution based on the collection and reuse or recycle of old seats at the end of their life.

Life-Cycle Engineered

Quality Assured

The BOX Seat employs quality controlled approval systems that ensures our seats deliver on durability and quality.
